It's so cool that it was given a prestigious MIPA Award at the Frankfurt Musikmesse! If you're an apartment or dorm dweller, the TD-4KP is the ultimate e-kit. The brains of the operation - the powerful TD-4 sound module - delivers a broad range of incredibly expressive (and editable) sounds and handy practice features, while the integrated pads give you satisfying, realistic feel and playability. Get V-Drums performance and features and maximum mobility, with the Roland TD-4KP. Roland TD-4KP Portable V-Drums Kit at a Glance Fold up, and you're good to go Natural-feel pads for maximum expression Roland's D-4 Percussion Sound Module: the brains of the operation Fold up, and you're good to go Roland's TD-4KP is amazingly portable, with a slick fold-up stand design that shrinks the kit into a surprisingly small size for travel and storage. The sound module and drum/cymbal pads are attached to the robust, integrated stand, and every component rotates and/or folds down along with the stand, making short work of your setups and teardowns. When it's time to rock, simply unfold the components, position the pads, and you're ready to roll. Natural-feel pads for maximum expression The Roland TD-4KP ships with a kick pad, snare pad, three tom pads, a hi-hat pad, and two 10-inch cymbal pads (crash and ride). An FD-8 Hi-Hat Controller pedal is included as well. Fitted with cushy rubber playing surfaces, the compact 7.5" drum pads give you impressive sensitivity, precise response, and organic playing feel. Roland's D-4 Percussion Sound Module: the brains of the operation The included TD-4 sound module gives you a broad range of expressive drum and percussion sounds.You can easily edit your sounds, allowing you to quickly customize your kits. You also get realistic ambience effects to enhance your performances. You'll particularly enjoy practicing with the Roland TD-4KP's onboard Coach and Quick Record/Quick Play feature; its valuable feedback will help you quickly advance your playing skills. The powerful TD-4 sound module is equipped with a wide range of expressive, editable sounds and essential practice features, while the integrated pads provide a satisfying feel and natural playability. Perfect for small venues, rehearsals, lesson studios, bedrooms, apartments, and more, the TD-4KP combines V-Drums performance and features with impressive mobility and stow-away convenience. Renowned V-Drums sound and quality in an ultra-portable mobile kit Innovative folding design for quick, compact breakdown and easy transport/storage Includes TD-4 Percussion Sound Module, loaded with expressive sounds, Coach and Quick Record/Play functions, and more Eight pads total: kick, snare, toms x3, hi-hat, crash and ride cymbals; FD-8 Hi-Hat Controller included; kick pedal and drum throne not included Snare and tom pads feature cushioned-rubber surfaces for natural playing feel Options: custom carrying case (CB-TDP); mesh-head snare pad (PDX-6/8); pad mount (MDH-12); drum accessory package (DAP-3X); drum mat (TDM series) Fold Up and Go The TD-4KP is truly portable, with an innovative fold-up stand design that transforms the kit into a surprisingly condensed size for transport and storage. Breakdown is a snap—the sound module and drum/cymbal pads are attached to the durable, integrated stand, and all components rotate and/or fold down quickly and easily in place along with the stand. When you want to play again, simply unfold everything and adjust the pad positions, and then you're ready to roll! Natural-Feel Pads for Expressive Playing The TD-4KP comes with a kick pad, snare pad*, three tom pads, a hi-hat pad, and two 10-inch cymbal pads (crash and ride). An FD-8 Hi-Hat Controller pedal is included as well. Outfitted with cushioned-rubber playing surfaces, the compact 7.5-inch drum pads provide a sensitive, accurate response and natural playing feel. *An optional PDX-6 / PDX-8 V-Pad is required to play rimshots and cross stick. TD-4 Percussion Sound Module A wide range of expressive drum and percussion tones are provided with the included TD-4 sound module. Sounds can be easily edited, allowing players to quickly customize their kits. The TD-4 also features ambience effects for lively, dynamic performances. Built-in Coach and Quick Record/Quick Play functions are ideal for effective practice, providing drummers with valuable feedback for rapid improvement. Custom Carrying Case and More An optional CB-TDP Carrying Case provides a convenient way to transport and protect the TD-4KP. The custom-designed case is a perfect complement to the V-Drums Portable, and includes a shoulder strap and detachable pouches for hi-hat and kick pedals, plus handy pockets for beaters, sticks, and other accessories. Users can also swap out the snare pad with an optional PDX-6 or PDX-8 V-Pad and MDH-12 Pad Mount for a true mesh-head feel and dual-triggering capability.
